Description

P&P and payments

**"It's nice to see that there are still people out there, who still care about giving great customer service for such a reasonable price."**

*Alfa Romeo*  
**147 156 GT**  
**Remote Key**  
**Repair Service**

**Faulty or Broken Alfa Car Key? I can repair it for you.**

Is your car remote key fob not working or has your car alarm and central locking simply stopped responding? **Any number of accidents can happen to break or otherwise damage your valuable key and as keys get older they naturally get worn out. Until now the solution has only been replacement, but with Alfa dealers charging up to £200 for a new key and coding, a replacement is very expensive!**

**I Provide a Reliable and Secure Key Repair Service**

**Fast:** Keys repaired and returned within 48 hours, usually same-day!

**Excellent Value:** A flat repair rate - no matter how difficult the repair.

**Perfect Service:** I pride myself on giving the very best service for every repair.

**Free Advice:** Advice is free! Please ask if you need any advice about your key.

## **My Key Repair Service includes everything to get your key working again.**

The most experienced Alfa Key specialist in the UK, I am a qualified micro-electronics engineer with over 12 years of specific Alfa Romeo knowledge. I successfully repair  
**100% of damaged keys quickly and efficiently.**

**Why risk non-specialists - If I can't fix it, it can't be fixed!**

**I only use genuine replacement parts, not cheap imports, and offer a flat repair rate of  
£23.50+p&p regardless of the amount of work involved.**

**Your repair includes:**

- All new micro-switch (button) replacements – no limit
- missing or loose circuit board components
- water damage repairs
- plastic casing repairs including badly damaged keys
- free replacement of missing internal parts
- comprehensive check to ensure no 'invisible' faults
- Battery check and free battery where required
- Guarantee of repair or a full refund

**For a small additional cost I can also supply and fit;**

- red key rubber buttons -black key battery holders
- replacement circuit boards -new and used replacement cases
- black key enamelled fob badges - all genuine parts!

# **All Key Repairs only £23.50 per key<sub>+p&p</sub>**

**Purchase via eBay and the repair address is sent to you automatically.**  
**A fantastic saving on dealer prices and completely safe and hassle-free!**

Return Postage Options  
**UK Postage (recorded) - only £1.75 !**  
**UK Special Delivery next-day weekday with £500 insurance - £5.45 (recommended)**  
**Europe (airmail small packets) - £1.60**  
**Europe (airmail recorded/insured) - £7.70**  
**Worldwide - price on request**

**No Quibble Refund Guarantee**

**In the unlikely event that repair is not possible I will promptly refund your money and return your key.**  
**To prevent unnecessary returns, please note that this is a repair service for 147, 156 and GT keys ONLY.**

**I am devoted to Alfas and I pride myself on offering a friendly, professional and reliable service to all Alfa Drivers.**  
**I provide a professional service with the fastest turnaround times and detailed advice and assistance to the customer.**  
**I will inform you of safe receipt of your key and the work that has been done, or for lengthy repairs what is still required.**
