  - Maximum driving safety
  - 3 year warranty
- Part No 50903410**

**pioneer avic-f700bt**

**pioneer avic-f700bt**

With the complete European road network stored in its 2GB internal memory, this 2-DIN integrated audio, video and navigation system is your ideal travelling companion. Its stylish 5.8-inch WVGA touch screen is supported by a USB terminal and ipod Direct Control. Another key feature of the AVIC-F700BT is playback of video and MP3 files that have been copied onto an SD Card or USB device. Furthermore, integrated Parrot Bluetooth® wireless telephony enables you to safely use your mobile phone hands-free. Requires MiTo fitting kit to be installed.

**Part No 46003924**

The AVIC-F900BT is a fully-integrated audio, video and navigation system that comes in a 2-DIN format and stores map data for the whole of Europe in its 2GB internal memory. Add points of Interests (POI) or play audio and video files that you've stored on an SD Memory Card or USB device. The AVIC-F900BT plays most file and disc formats, including CD, DVD, and DivX, and is equipped with an attractively designed 5.8-inch WVGA touch screen. The AVIC-F900BT has 3 RCA pre-outs, enabling you to connect external amplifiers as well as additional speakers and subwoofers. Its finishing touch is integrated Parrot Bluetooth® wireless telephony. Requires MiTo fitting kit to be installed.

**Part No 46003925**

**pioneer avic-hd311**

This 2-DIN HDD-based unit with a motorised 7-inch touch panel display offers everything you could possibly desire in an AVIC(Audio, Video, Information and Communication) unit. Navigation accuracy is a trademark of Pioneer's AV/Navi units, and is further enhanced in the AVIC-HD311 thanks to the integration of over 1000 3D landmarks. This good-looking unit also provides a complete in-car entertainment experience thanks to its DVD playback capabilities, HDD Music Library and optional Bluetooth® wireless telephony. Requires MiTo fitting Kit to be installed.
