PIONEER AVIC-F900BT

Part No: 46003925

The AVIC-F900BT is a fully-integrated audio, video and navigation system that comes in a 2-DIN format and stores map data for the whole of Europe in its 2GB internal memory. Add points of Interests (POI) or play audio and video files that you've stored on an SD Memory Card or USB device. The AVIC-F900BT plays most file and disc formats, including CD, DVD, and DivX, and is equipped with an attractively designed 5.8-inch WVGA touch screen. The AVIC-F900BT has 3 RCA pre-outs, enabling you to connect external amplifiers as well as additional speakers and subwoofers. Its finishing touch is integrated Parrot Bluetooth® wireless telephony.
